

AIR DIFFUSER

Compatible with all aquarium air pumps, the Fluval Air Diffuser is easy to install, quiet to operate and offers adjustable flow for customized bubble control, making it an ideal alternative to traditional air stones.

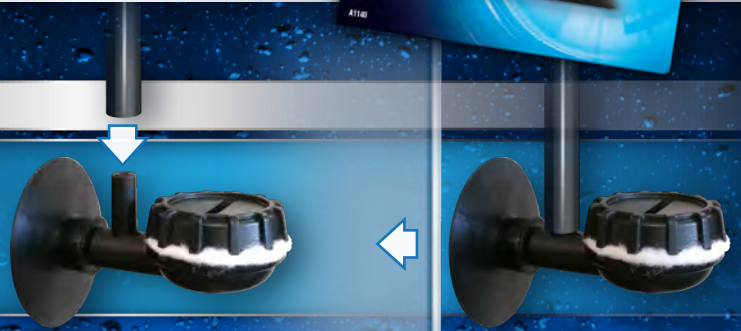

2 PACK

A1140

EASY TO INSTALL

- Quickly connects to airline tubing
- Secure suction cup mount for versatile positioning

ADJUSTABLE

- Large easy-grip dial for simplified bubble/oxygen adjustment
- Turn dial clockwise to increase pressure and counter-clockwise to reduce pressure

CONVENIENT & EFFECTIVE

- Provides effective water surface agitation for better oxygenation
- Disperses air efficiently within aquarium
- Ideal for a wide range of aquarium sizes and fish species
